

Cisco Meraki (MA-PWR-50WAC)

Cisco Meraki - Power adapter - AC - 50 watt - for Cisco Meraki Z3 Cloud Managed Teleworker Gateway (50 watt)

The Cisco Meraki power adapter is a reliable and efficient solution for powering PCs. With a 50 W power output, it meets the energy demands of most hardware, ensuring that your device stays operational when you need it most. Its external form factor allows for an easy Plug-and-Play setup, eliminating the hassle of complicated installation processes. The adapter's requirement for AC voltage makes it compatible with standard power outlets, offering flexibility and convenience for users. Whether at home or in the office, this power adapter is designed to provide a steady power supply, ensuring that your PC remains ready for any task.

Key Selling Points

- 50 W of power to keep your device running smoothly
- External form factor for easy Plug-and-Play setup
- AC voltage requirement ensures compatibility with standard power outlets
- Designed specifically for PC use

Product Features

- Efficient power supply**
Designed for seamless compatibility with PCs, this external power adapter ensures your device remains powered up and operational. Its 50 W power output is tailored to meet the energy demands of your hardware, providing a reliable source of electricity without the need for constant replacements or upgrades.
- Versatile compatibility**
The Cisco Meraki power adapter is engineered to work efficiently with a wide range of PC models. This versatility ensures that users can rely on this single adapter to meet their diverse power needs, simplifying the process of powering devices and reducing the clutter of having multiple adapters.

Main specifications

Product Description	Cisco Meraki - power adapter - 50 watt
Device Type	Power adapter - external
Input Voltage	AC
Power Capacity	50 watt
Designed For	Cisco Meraki Z3 Cloud Managed Teleworker Gateway (50 watt)

Extended specification

General

Device Type	Power adapter - external
-------------	--------------------------

Power Device

Input Voltage	AC
Power Capacity	50 watt

Compatibility Information

Designed For	Cisco Meraki Z3 Cloud Managed Teleworker Gateway (50 watt)
