"Rich hints of loamy earth and leather underscore flavors of warm fig, plump cherry, red licorice and rooibos, with creamy-edged tannins providing supple definition. Harmonious and detailed, with a subtle, fragrant range of baking spices, dried thyme and sage playing on the finish. Tempranillo, Mazuelo and Garnacha. Drink now through 2030."

"Dark ruby to the eye, this wine has a nose of cassis, cocoa powder and a hint of leather. There is a nice sense of earthiness underlying ripe cherry, cranberry, roasted red pepper, milk chocolate and slivered ginger flavors that are set into plush tannins, which linger on the tongue and gums."
