### ***Rivallana***

#### **Crianza**

*DOCa Rioja Red wine*

- Vinegrowing*      Tempranillo 90%, Garnacha & Mazuelo  
Average age for vines is around 15 years.  
The fruit for our Crianza comes from our vineyards in Rioja Alavesa, Rioja Alta and a little Rioja Baja.  
The soil patterns in our vineyards are a combination of the well-known limestone/clay/alluvial mix to be found in most of Central Rioja.
- Winemaking*      Maceration time was 12 days with daily pumping over in stainless steel vats at a controlled temperature of 28°C. Malolactic fermentation took place in concrete tanks.  
  
Barrel ageing was done in 225-litre oak casks, of American wood, and it lasted for 12 months with regular racking. The barrels where ageing took place were all from brand new to 7 years of age. Once fining and bottling were done, the wine remained in our bottle cellar for 10 months before we started to release it.
- Tasting notes*      At the time of release, this wine showed a bright cherry red colour. On the nose, aromas of red berries and oaky notes. On the palate, crisp tastes of strawberry combined with gentle aromas of oak. Elegant mouthfeel, a full body and a fresh and fruity aftertaste.
- Food pairing*      In terms of food pairing, vegetables, rice and pasta, seasoned fish and white meats, as well as fresh and medium cured cheese.
- Recommended serving temperature    16-18°C
