PROSECCO DOC ROSÉ (NV)

EXCELLENT

The Washington Post

"White smoke comes together with wild strawberries and mint as the 2023 Rosé Prosecco opens in the glass. It soothes with a creamy wave of bubbles and mineral-infused orchard fruits ripe across a stream of fresh acidity. Candied citrus mixes with a saline mineral twang as the 2023 tapers off with incredible freshness and poise yet leaves the palate salivating."
