2024 TASTING NOTES

"Generous aromas of dark fruit and spices. A supple, luscious red with a lovely texture, balance and purity. An excellent value with no hard edge. Drink now."

RYAN MONTGOMERY | JAMESSUCKLING.COM

2023 REFERENCE — 2024 CONFIRMATION PENDING

VINEYARDS & WINEMAKING

Select vineyards across California's diverse wine regions were chosen for their optimal growing conditions, contributing depth and richness. Carefully sorted grapes were destemmed and gently crushed, then fermented in temperature-controlled stainless steel tanks to optimize color and tannin extraction while preserving fruit character. Malolactic fermentation softened acidity and enhanced the mouthfeel, followed by maturation in French oak.

TECHNICAL PROFILE

BLEND	88% Cabernet Sauvignon, 6% Petite Sirah, 3% Malbec, 3% Merlot
ALCOHOL	14.5% by vol.
OAK AGING	9 months in French oak, 30% new
pH	3.6
RESIDUAL SUGAR	2.5 g/L
