CABERNET SAUVIGNON (2024)

BEST BUY

"Wow, the opulence of the aromas on the nose are concentrated with ripe blackberries, boysenberries well integrated sweet oak, violets, Sandalwood, and sage; it is well integrated and packs a punch on the nose, but with elegance. The flavors are sumptuous, full-bodied, with dark berries, baking spices, lifted in the mid-palate with ample tannins, leading into a delicious finish and wishing for another sip." - T.P.
