

# The Performance Lab

Hello

Hope you're having a wonderful day!

I'm reaching out on behalf of The Dance Tech and Ensō Studios as we're putting together an exciting dance event 'The Performance Lab' happening at St Andrews Auditorium, Bandra on 27 May 2026.

Our vision is simple: bring together amazing dancers and an equally passionate audience for a night of great performances and connection. We're expecting 1500 people, and the event will get plenty of buzz both online and offline which is stretched over a week. This Event will include workshops, training program, practice sessions and a performance night.

We are seeking funding support from key partners who share our vision. We'd love for your brand to be part of this, not just as a sponsor, but as a partner in bringing performance culture back to life.

## Partnership Highlights:

- Brand presence across venue installations and digital media
- Mentions in all pre-show promotions and social media campaigns
- Logo integration on posters, tickets and visual collaterals
- Shout-outs during the show
- Photo Booth

## 27th May 2026- Performance night:
