Kalu

Pam Pam and his family are real cats with a sweet story.

Pam Pam's baba, Kalu, came all the way from Australia to Islamabad, Pakistan, because he loved his pet parent very much and did not want to stay away from him. When he was away from that love, he became weak and unhappy, so he traveled to Islamabad to be with the person he loved.

Pam Pam's mama, Gili, moved from Quetta to Islamabad with her family. Then Kalu and Gili became one happy family, and soon little Pam Pam was born.
