Dates must be confirmed with the host location first to ensure availability. - If players need to be switched out to make dates work, then that is to be done, maximum of two (2) players. If dates can not be provided by cup holder, then the cup will be forfeited and the trophy and match will move to the next two teams. Location of play will be determined by 'Quinte BCA' based on the teams playing.
- 'Challenging' team will choose between the two dates. If a date does not work for them, they forfeit the challenge spot and the next inline will be offered the challenge. The forfeiting team will then assume their spot. If a team forfeits back-to-back spots, they will be removed from the list.
- If there are extenuating circumstances preventing the match from being played after being scheduled, it will be reviewed and communicated.
