2.4 Championship Bonus

To receive a championship bonus, it is a prerequisite that a division listed in section 2.1 has been won and that the relevant series promoter has issued a final and concluding scoring table of the entire season and that at least a minimum number of three races have taken place. In this final scoring at least five competitors must have been scored. All races in the racing series listed under 2.1. must be contested in a vehicle manufactured by Porsche in order to receive the championship bonus.

Coefficient 20

The championship bonus is calculated by multiplying the coefficient (20) and the points for first place (20 points) according to section 3.3. The championship bonus can only be awarded once per participant within the evaluation period listed in chapter 2.1.

3. Scoring

- 3.1** Special entry forms are not required for the "Porsche Cup 2025" competition. The results of the individual events are proactively tracked by Porsche and incorporated into the scoring accordingly. Inconsistencies should be reported to Porsche in writing by the driver within 5 working days after publication of the scoring, but no later than **November 16, 2025** when the final scoring is determined (see Chapter 8).
- 3.2** All results must be proved by an official list of results or confirmation of an ASN by the stated deadlines (refer to section 2. Events) at the latest. Otherwise, points will not be scored.
- 3.3** Scoring presumes that the minimum number of competitors fixed by the individually responsible, official motorsport authority start within the particular group. Scoring will be effected as follows:

1 st Place	20 Points	6 th Place	6 Points
2 nd Place	15 Points	7 th Place	4 Points
3 rd Place	12 Points	8 th Place	3 Points
4 th Place	10 Points	9 th Place	2 Points
5 th Place	8 Points	10 th Place	1 Point

All places refer to the relevant classifications (refer to section 2.1, 2.2 and 2.3). Points received will be multiplied with the respective coefficients. The score as well as the name of the winner of the Porsche Cup will be published on [Porsche Cup | Porsche Motorsport Hub](#) and will frequently be updated.

- 3.4** For individual racing events that are part of the classification of several championships or part of the classification of one championship and one single race, points will be awarded according to the championship or single race in which the driver is named according to the official entry list.

Should a driver be officially registered in several championships or in one championship and in a single race, points will be awarded according to the results of the corresponding championship or single race, which mathematically results in a higher number of Porsche Cup points for the driver.

- 3.5** Only the cars and drivers listed in the official results list of the respective series organizer will be scored.
- 3.6** All results which come within the scope of this competition will be scored without the dropping of any points. In the event of an ex-aequo result in any single event, all drivers who thus tie will receive full points for the respective position. Points from various events within this scoring system cannot be added for one and the same event – the best final position will be scored.

4. Prize Funds

4.1 The total prize funds awarded for the "Porsche Cup 2025" are:

1 st Place	„Porsche Cup“ trophy* plus 150.000,00 €
2 nd Place	€ 30,000.-

8 th Place	€ 8,000.-
9 th Place	€ 7,000.-
10 th Place	€ 6,000.-

* see also section 4.4

4.2 Winner of the "Porsche Cup 2025" is the driver with the highest point total; further placing will follow in the order of total points scored.

4.3 In ex-aequo cases (ties) the drivers involved will be placed ex-aequo in the relevant placing. The one or more following places will be discarded. Prize funds from these places will be added and divided equally among the ex-aequo drivers. Only exception is the scoring for first place in the "Porsche Cup", for which in ex-aequo cases the higher number of victories in events with the highest coefficients, then the higher number of second places, third places and so forth will be taken into account. If a tie still exists, the higher number of fastest qualifying laps will be considered, then the higher number of fastest race laps and finally by drawing lots.

4.4 The trophy of the "Porsche Cup" is a perpetual trophy which will be displayed at Porsche after the award ceremony. The "Porsche Cup" winner will receive a reproduction of the trophy in reduced size.

4.5 The prizes are to be received by the drivers and will be awarded personally. Transfer to a third party is accepted only if Porsche Motorsport has been notified in written form of this intended transfer **by December 05, 2025** at the latest.

5. Exclusions

Porsche reserves the right to exclude drivers from "Porsche Cup 2025" who violate the obligations of section 1.5 above during the 2025 season.

Porsche further reserves the right to exclude from "Porsche Cup 2025" standings any driver who has his license withdrawn by the FIA or ASN for an offense against the sporting code during the 2025 season. Porsche also reserves the right to exclude any driver from the "Porsche Cup 2025" standings who have violated the provisions of the FIA Code of Ethics and Conduct or the DMSB Code of Ethics during the 2025 season.

6. Legal Position

The regulations of the competition "Porsche Cup 2025" as well as the participation to this competition are governed by German law. Porsche reserves the right to alter or recall these regulations at any time. No legal claims against any offered prizes will be entertained. All decisions of Porsche concerning the "Porsche Cup 2025" are final; appeals to the courts or sporting authorities are excluded. In case of doubt, the German text of these regulations will be considered binding.

7. Tax Information

8.1 Value Added Tax (VAT)

The placement-dependent prize money does not constitute an exchange of services from a German sales tax perspective. The prize money is therefore generally paid out net. The prize money winners are free to make a different VAT assessment. If the legal situation or facts change, the sales tax assessment may differ.

8.2 Withholding Tax

Since 1986, Porsche is obliged to retain and deliver to the Tax Office the German Income Tax of prize funds paid to foreign professional drivers according to the following graduation:

- a) up to € 250.- no tax deduction
- b) more than € 250.- 15.825 % tax deduction

Porsche is obliged to withheld taxes on the remuneration of paid prize funds for assignment of rights (personal rights and other image rights) and for races in Germany. Therefore, the remuneration will be split as follows: 20% royalties, 80% activity through races.

If, in the case of a driver from Germany, it is not clear whether his primary residence is located in this country, Porsche can only renounce on taxation if a location certificate issued by his tax office has been presented.

If in further countries Porsche has also to withhold income taxes on payments of prize money scored in this country, Porsche shall be allowed to deduct the respective amounts from any payments to be made. Porsche will issue a certificate in respect of the tax paid.
