---

## CERTIFICATES

- Advanced Python Training
  - Cisco Certified Network Associate (CCNA)
  - Web Development Internship Plan (IBM SkillsBuild)
- 

## PROJECTS

- Rent Management System

Built for efficiency, our rent management system simplifies property management tasks. It includes features for tenant management, rent tracking, maintenance scheduling, and financial reporting, all in one intuitive platform.

- Library Management System

Crafted with Django, my library organization system simplifies resource management. Featuring intuitive interfaces and robust backend development, it optimizes cataloging, tracking, and accessibility of library materials, demonstrating my Django expertise.
