About Me

Hi, I'm Rakesh Mehamud, a graphic and UI designer with 12 years of experience. I'm truly passionate about what I do — turning ideas into clean, engaging designs is what I love most. Design isn't just my job, it's something I enjoy every day.

School Year of 2005-2007

I started my journey in Jamalpur Zilla School, where I passed my SSC exam and began building the foundation for my education.

Collage Year of 2007-2009

completed my HSC at Jamalpur Ashik Mehamud College

University Year of 2011-2016

Bachelor and Master of Fine Arts (BFA & MFA) in Graphic Design at Dhaka University, which shaped my creative journey and professional path.

Your Experience 2016-2017

I worked as a Graphic Designer at Runner Automobiles, one of the largest automobile companies, where I contributed to impactful visual branding and marketing design projects..

Your Experience 2017-2019

I worked at Channel Nine as a Motion Graphic Designer, creating dynamic visual content for television broadcasts and digital media.

Your Experience 2019-Present

I am currently working at BRAC University as an Illustrator and Graphic Designer, where I create engaging visual content for academic and promotional materials.
