About Me

I am Nazrul Ali, a driven BBA student at Allenhouse Business School, passionate about business management and [specific interest, e.g., marketing or finance]. With strong skills in teamwork, problem-solving, and strategic thinking developed through academics and extracurriculars, I am eager to apply my knowledge in professional settings and contribute to organizational success.

WORK EXPERIENCE

Vaco Binary Semantics LLP

Meta Process Associate

[Feb, 2025] – [May, 2025] (4 months) Excelled in setting up WhatsApp Business profiles and optimizing Meta ads to enhance customer engagement for local shop merchants. Facilitated Meta verification processes, boosting online credibility for merchants. Demonstrated strong performance, contributing effectively to team and organizational objectives.
