

Mehadi Hasan

Visual & Motion Graphic Designer | Video Editor

About

Designing has been a passion of mine since I was a child. Back in my college days, I found myself as a designer after that I started learning about it. Finally, I grew up in my career as a design professional. Last few years I've successfully managed and coordinated graphic design, motion graphics & video animation projects from concept through completion and worked in some reputed companies for creating strong branding & some aesthetic project. Also, I am a content creator for my YouTube channel. On my YouTube channel, I make videos about videos designing, video editing, and gadget reviews.
