

# Transparency Report for Digital Services Act

Published: June 2, 2026

Reporting Period: January 1, 2025 – December 31, 2025

Service Provider: Text S.A.

Contact: [support@text.com](mailto:support@text.com)

## About this Report

This report is published in accordance with the requirements of the **EU Digital Services Act (Regulation 2022/2065)**. It covers how **Text**, as a provider of intermediary services, handled content-related orders and moderation activities during the reporting period.

## Orders from EU Member State Authorities

During the reporting period, **Text** did not receive any orders from EU Member State authorities under Article 9 (orders to act against illegal content) or Article 10 (orders to provide information).

| Type of Request                                   | Number of Requests |
|---|--------------------|
| Article 9 – Orders to act against illegal content | 0                  |
| Article 10 – Orders to provide information        | 0                  |

## User Notices and Reports

**Text** provides a channel for individuals to report potentially illegal content via [support@text.com](mailto:support@text.com). No such reports were submitted during the reporting period.

| Type of Request                       | Number of Requests |
|---------------------------------------|--------------------|
| Notices submitted by individuals      | 0                  |
| Notices submitted by trusted flaggers | 0                  |

## **Appeals and Complaints**

**Text** did not receive any user complaints or appeals through internal systems during the reporting period.

## **Content Moderation by Text**

Text S.A. did not take any content moderation actions at its own initiative during the reporting period. We do not engage in proactive content monitoring. Any content-related actions are strictly based on valid legal requests or user submissions, which did not occur in 2025.

## **Use of Automated Tools for Moderation**

Text did not use automated tools for content moderation.
