## Forgotten Password

In the event that you cannot remember your password, simply click “Forgot Password?” under the Sign In/Register drop-down menu.

Enter your User ID (your email address for that account). Click “Reset Password,” and Password Reset Instructions will be emailed to you.

Once you receive the Reset Password email in your email box, open the email and select Update Password. Enter a New Password and Confirm Password.

### Password Requirements:

- Should be no less than 8 characters with a max of 32 characters.
