Registration – Setting up an account in Graybar.com

Did you know a Graybar.com account can help you manage your business better? With a Graybar.com account, you can receive account-specific pricing, check order statuses, and look up invoice history and quotes.

Set up your Graybar.com account

To register for a Graybar.com account, click the Register button in the middle of the top banner or click the Sign In/Register button, then click the register link displayed in the drop-down menu.

Whichever method you choose, it will bring you directly to the Registration page where you can begin the registration process. The registration process will ask you for a valid email address and password, personal information, and whether or not your company already has an account with Graybar.

If a required field is missed, it will be highlighted and you won't be able to continue with registration until the field is filled out. The following characters are not allowed in the First Name and Last Name fields: @#\$%^&* < > ? ! \ / () = + , . ; :

Password Requirements:

- Should be no less than 8 characters with a max of 32 characters.
- Should not contain the username, first name, or last name of the user.
- Must use following characters combinations:
 - At least 1 of the following:
 - Uppercase letters
 - Lowercase letters
 - Non-alphanumeric characters (all the characters on the keyboard that are not letters and numbers)
 - Special characters ~!@#\$%^&* _ - + = `|{}[]:;'"<>.,?/
 - Numeric character

If You're An Existing Customer

If your company has an account with Graybar, select Yes, and enter your company's account number. This will allow us to link your Graybar.com account to your company's Graybar account. This process may take up to 48 hours to confirm. Once your registration has been approved, you will be able to see your company's pricing and availability, view your company's order history, share favorites lists, and much more.

If You're New to Graybar

If your company does not have an account with Graybar, select No and click the register button.

Successful Registration

Now that you have registered, your first name will be displayed on a button at the top right of the page.

By following these simple steps, you'll be able to put the power of Graybar.com to work for you and simplify your procurement process.
