LEVITON ADVANTAGE

- ✓ LED Advanced dimmers use dimming technology previously only available in higher end lighting controls, combining affordability with high quality dimming of modern LED lighting
- ✓ "It Just Works" with flicker-free results and no customer complaints or callbacks
- ✓ Ultra slim depth in the wall box makes it easier to install
- ✓ Easy Setup Button to customize device features and fine-tune performance in the field
- ✓ No fins to remove in multi-gang installs
- ✓ Minimum Dim and Maximum Bright adjustment
