

Private Offices

National offers a wide variety of solutions that can be tailored to fit specific needs of the user. Whether it's an executive office, open plan workspace, or a shared station, our portfolio provides beautiful and practical furniture that supports daily activities.

With a wide range of laminate and veneer options, metal and glass accents, and configurations that optimize productivity, you have the design freedom to create a space that suits your needs and reflects your image. Our casegoods and storage solutions paired with comfortable seating options create spaces that command attention, encourage interaction, and promote progress.

At National, we have a dedicated government sales and customer service team to work through the nuances of government purchasing. From private offices and training areas to conference rooms and lounge spaces, we offer a range of sustainable and durable solutions to outfit your government facility.
