AN ELEGANT, AMBITIOUS, AND COMFORTABLE SEATING COLLECTION.

SOLID AND SUBTLE YET IMPRESSIVE, CONFIDE SEATING OFFERS GRACEFUL CONTINUITY.

PROVIDE VISUAL CONSISTENCY THROUGHOUT AN ENTIRE ORGANIZATION.

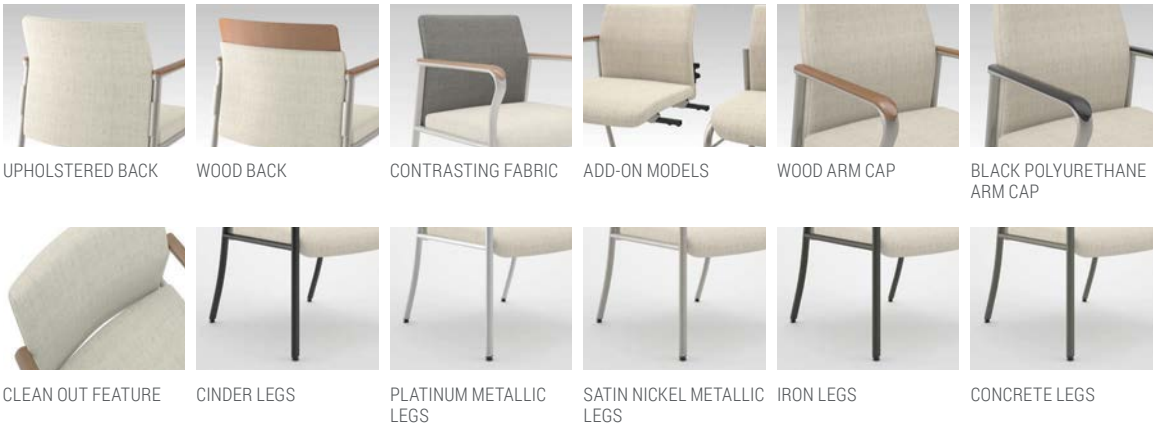

Confide transforms metal durability into a welcoming array of guest, bariatric, tandem, bench, lounge, patient, and table models. The sleek back profile and slight arm curvature create a graceful silhouette that also supports rising guests. With a plethora of models and features, Confide can easily outfit an entire facility without sacrificing specific needs.

CONFIDE DELIVERS CHARISMA AND CLASS.

Confide guest seating spans from a single seat to a winding row of possibilities. Perfect for private offices, conference rooms, touchdown areas, or waiting spaces, Confide offers endless configurations. Choose from arm and armless models, upholstered or wood back, and metal leg finishes. With specific features that excel in healthcare environments like easy clean out, wall saver legs, arm cap options, and replaceable parts, it's a smart solution for any space.

SEATING SOLUTIONS THAT WELCOME ALL.

Confide bariatric and tandem models offer a confident sit with satisfying comfort. With the same arm, leg, and back style options as the guest seating versions, these models can be standalone units or seamlessly combined with other Confide seating arrangements. The bariatric model accommodates individuals needing extra support and delivers peace of mind. Tandem seating offers solutions that span from two seat to three seat units.

CREATE A COMFORTABLE ATMOSPHERE.

Confide benches offer versatility for just about any space. The waterfall cushions create a cozy spot to relax, while the metal legs offer style and support. Add a ganging table to create a practical solution. One, two, and three seat benches are offered with and without arms and are right at home in any lobby, elevator bay, or long hallway. Or, mingle benches with Confide guest seating to create a cohesive setting.

CONFIDE ELEVATES COMFORT TO A NEW LEVEL.

Confide lounge pieces present guests with comfort and mixed material style. Equipped with smart features like easy clean out, wall saver legs, and arm cap options, Confide is a superior selection for lobbies, guest spaces, and healthcare focused areas. Tailor Confide to reflect your style by selecting an upholstered or wood back. Add a tablet arm to further extend Confide’s functionality. Boost style by incorporating contrasting fabrics. Design Confide to support your space, your style, and your guests.

BALANCE STRENGTH AND BEAUTY.

Support and comfort collide elegantly within Confide's bariatric and tandem lounge offering. This stylish collection accommodates waiting spaces as well as corporate and retail lobbies. For common areas often found in learning spaces or open plan areas, this solution adds a relaxing spot to gather or interact. The optional tablet arm offers a space for work, devices, or dining. The bariatric model offers supportive comfort that blends with Confide's entire lounge collection.

MERGE HEALTHCARE DEMANDS WITH DESIGNER EXPECTATIONS.

Bridge the style of your lobby and waiting space into the patient room with Confide. Create visual continuity between these two essential spaces. Confide offers stylish accents like arm caps, contrasting fabrics, and metal leg finishes along with crucial elements like wall saver legs and arms that support rising users. Ergonomically designed with exceptional support, Confide patient chairs blend effortlessly with the entire collection.

COMPLETE YOUR VISION BY ADDING TABLES.

Incorporate tables with Confide seating to create useful and beautiful spaces. Pair Confide ganging tables with guest seating models to create linear or angled solutions. The center and end tables can be used to create straight rows, while the corner table provides a 90° option. Freestanding end and magazine tables are the perfect partners for any of the Confide seating models. With coordinating leg styles, these tables are a great addition to waiting spaces, lobby areas, or private offices. Choose from National's wood or laminate options to integrate these tables into any space.
