DITTO™ SEATING COLLECTION

Ditto combines comfort and functionality into one package. From its slim silhouette to its sleek metal frame, this high-density seating collection is ideal for learning centers, training rooms, lecture halls, cafés, classrooms, and so much more. The perforated back design and gentle flex make long-term or short-term sitting a treat.

Not only is Ditto flexible in the many spaces it can be used, its versatility is amplified by color options and the ability to gang and stack. Ditto's color options allow you to add color to any space or keep the tones muted. Easily gang Ditto to keep order in your space, and for simple storage, stack them up. When you need to move Ditto, use the coordinating dolly to move up to 25 of them with little effort. Ditto elevates casual seating and makes the possibilities endless.
