

TELLARO LOUNGE DESIGN PERSPECTIVE

Tellaro is a modular soft seating lounge series that can accommodate a variety of spaces. Available with 1, 2½, and 4 seat options, it delivers clean lines, classic style, and contemporary details. Accentuate Tellaro's simple aesthetic with optional horizon stitching, grid stitching, or contrasting fabrics. The tailored cushions and impressive vertical and horizontal lines add intrigue.

"We designed Tellaro to make a statement. It's a modern sofa offering that is available in unique sizes to address relaxed commercial needs. Its sleek silhouette paired with the 2½ and 4 seat sizes create a statement piece that easily bridges a variety of spaces and accommodates today's collaboration-focused areas."
