

LAVORO[®]

Lavoro merges comfort, design, and functionality for today's ever-evolving workspaces. Its mesh and upholstered back options give you design freedom in height and style, as well as price. The synchro tilt mechanism paired with its infinite lock and seat slide options give Lavoro extreme ergonomic support. The synchro tilt allows the user to recline for comfort without impacting the level of their eyesight and the infinite lock feature locks the perfect position into place. Sleek conference arms are streamlined and pleasantly inviting. Height adjustable arms are precise in movement and add functionality. Static arms and armless versions offer subtle curves and simple flowing lines. Lavoro also offers complementary task stools and guest seating. Simply put, Lavoro fits all of your needs.

CONTROL MECHANISM+FUNCTIONS

SYNCHRONOUS TILT CONTROL MECHANISM

IN SYNCHRONOUS TILT, THE BACKREST AND SEAT PAN OF A CHAIR RECLINE AT A DIFFERENT RATIO. FOR EVERY 2" OF BACK RECLINE, THE SEAT ANGLE TILTS 1" (2:1 RATIO) AS YOU LEAN BACK. THIS MINIMIZES THE SEAT PAN RISE AS YOU TILT, ALLOWING YOUR FEET TO REMAIN ON THE FLOOR WHILE YOUR GAZE REMAINS STRAIGHT AHEAD.

TILT TENSION FUNCTION

INCREASE OR DECREASE TENSION OF CHAIR'S TILT TO MATCH YOUR BODY WEIGHT. PROPER TENSION SHOULD ALLOW YOU TO LEAN BACK EASILY WHILE PROVIDING BALANCED SUPPORT WHEN RECLINING.

SEAT SLIDE

ADJUSTS SEAT DEPTH TO A POSITION THAT BEST ACCOMMODATES LENGTH OF LEGS. REDUCES PRESSURE BEHIND THIGHS PROVIDING LONG-TERM COMFORT.
