

RALLA[®]

TASK STOOLS

NATIONAL[®]

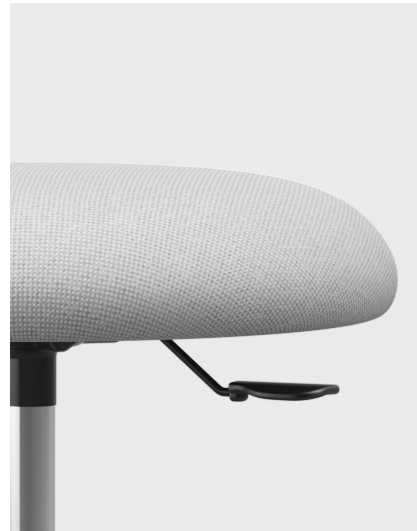

OPTIMAL COMFORT AND MAXIMUM MOBILITY.

A UNIVERSAL STOOL FOR HEALTHCARE, EDUCATION, AND COMMERCIAL ENVIRONMENTS.

The Ralla stool is ideal for spaces that require ease of mobility, comfort, and height adjustment. This impromptu stool features a pneumatic height control, black frame and casters, and is available with an optional foot ring for additional comfort. Ralla is a unique solution for medical facilities, work stations, learning spaces, or other task intensive areas.
