COLLABORATIVE TABLES OFFER SMART SOLUTIONS WITH DESIGN VERSATILITY.

Whether you plan to join in on a quick conversation or sit down to catch up, spaces for collaborating need to be flexible and comfortable. With National's evolving portfolio of solutions, we offer the right furniture for the communication spectrum, from brief sync ups to in-depth conversations that require a bit of privacy.

Socializing is necessary in today's culture. In today's fast-paced environments, sometimes personal interactions are skipped, and opportunities are missed. Furniture that invites conversations and creates spaces for gathering is essential.

PROMOTE LEARNING AND ENCOURAGE INTERACTION WITH ADAPTABLE SOLUTIONS.

In today's quick-paced society, learning happens everywhere. We learn by interacting, being social, observing, and collaborating. As learning and training styles evolve, furniture solutions must be versatile to accommodate trainers, learners, and guests.

Smart solutions support all aspects of this process. National's learning and training tables are designed for flexibility. With a variety of worksurface shapes, sizes, and materials, along with mobility and flip/nest capabilities, National's broad range of solutions deliver functionality.

TODAY'S CAFÉ AND DINING SPACES ARE MULTI-USE AREAS.

Throughout the day, café and dining spaces are in constant transition. Guests come and go and tackle various activities while enjoying a cup of coffee or eating a meal. Some users enjoy working with the hustle and bustle surrounding them, so they set up workstations to knock out projects, or invite others to collaborate on group tasks.

National's café and dining options are as varied as the users that interact with them. Whether guests are recharging and relaxing or spreading out, our portfolio of solutions offers the flexibility to find the right products to fit a variety of needs.

INCORPORATE OCCASIONAL TABLES TO ADD FUNCTIONAL APPEAL AND CREATE WELCOMING SPACES.

When guests relax in a lobby area, or visit in a multi-use space, occasional tables provide practical surfaces. National's range of occasional tables encompasses needs from purely functional side tables to dramatic statement pieces.

National offers occasional tables in a wide variety of sizes, shapes, styles, and surface materials. Choose from mixed material tables or solid surfaces. Create a dramatic space with end, magazine, or console tables. Add power/data grommets or Universal cushions to increase functionality even further.
