TAG FITS A VARIETY OF USERS AND SPACES.

When spaces need special sizes or wall saver leg designs, Tag fits the bill. Tag offers bariatric or standard guest seating with a wall saver or straight leg design. Tag's bariatric options include two different sizes, to accommodate all needs. When ganging is needed, between chairs or ganging a chair to a table, Tag is still the right solution. Because of this flexibility, Tag easily bridges the gaps between spaces with mixed requirements.
