

TESSERA[®]

CASEGOODS COLLECTION

NATIONAL[®]

DESIGNED TO STUN WITH LAYERED SURFACES AND SMART STORAGE.

TESSERA MAKES SPACES MORE FUNCTIONAL.

Showcasing a contemporary vibe with a floating top aesthetic, Tessera has elements that will delight. The sleek and angular design promotes a vision of sophistication, while the vast array of storage options allows the user to tailor it to their personal needs. The unique wall panel allows storage, shelves, and surfaces to be strategically placed for maximum productivity and versatility. This combination of layered elements adds even more visual interest. Tessera offers options that exceed expectations.

TAKE YOUR WORKSTATION TO NEW HEIGHTS.

Tessera's adjustable height design accommodates standing tasks, intermediate elevations, and worksurface heights to meet personal preferences and workstyles. The desk raises and lowers with an easy to use keypad and reveals complementary or contrasting legs, while concealing the lift mechanism. The removable end panels allow for concealment of cords to maintain Tessera's sleek design.

MAKE AN IMPACT IN ANY SPACE.

Tessera's wall panel creates vertical storage and display space that can be designed for unique needs. This solution accommodates professional and personal needs with smart, functional, and unparalleled options. With a variety of surface materials, wall panel configurations, and storage compositions, Tessera allows you to maximize wall space by incorporating this solution in any workspace or open plan area. Visually, this wall solution adds texture, layers, and mixed material opportunities. Functionally, the options are second to none, adding the right elements where you need them.

CREATE WELCOMING SPACES.

Tessera's reception stations are designed to maximize functionality and style, without compromise. Modular in design, Tessera can be easily modified to meet your specific requirements, reducing the need for costly and expensive millwork. Its flexible design and stunning storage combinations make it easy to work beautifully while creating a great first impression.

PROVIDE BEAUTIFUL SPACES FOR AGILE INTERACTIONS.

Tessera's conference tables are available in three heights, creating a collection of solutions that can accommodate nearly any situation. Collaboration and interaction, board meetings or lunch gatherings – Tessera offers clean lines and simplicity so that your guests can focus on the event at hand. For worksurface height tables, add coordinating Tessera benches for a creative and comfortable seating experience.

Integrate Tessera's occasional tables to create quaint meeting spaces, add to executive offices, or welcome guests in lobby areas. From a simple station to an executive setting, Tessera's comprehensive table offering gives you all the pieces necessary to create a cohesive space that is as beautiful as it is functional.
