Welcome Collaboration and Spark Conversations

Grin tables are available in a wide variety of sizes, heights, and shapes making it easy to find the right solution for any space. From occasional tables to worksurface height tables and even counter and bar heights, this collection was designed for today's culture of virtual and in-person collaboration. Its solid maple leg base and metal accents offer clean lines and our variety of paint options create the ability to compose dramatic or monochromatic mixed material style. Pair these tables with Grin's broad range of seating solutions, including lounge and guest seating, stools, and a complementary ottoman, to create the right combinations for large gatherings, small social spaces, and everything in between.
