INTEGRATE SEAMLESSLY

With Pairings, you don't have to choose between open and closed spaces. The collection works as a simple lounge group, or as a robust system capable of transforming an open area into nooks for privacy. Configured with additional Kimball products and media, the collection offers expansive options for any space.

THOUGHT STARTERS

Divide & Conquer

A blend of seating supports individual work and seamless collaboration. By integrating a divider wall, one meeting space becomes many.

Create Serenity

Pairings Perch makes it easy to mix and match fabrics and stagger layers of seating for endless options in any size space. Incorporate the weighted plinth base option to create a perfect solution for wellness spaces, educational environments, or workplace facilities.

Inside & Out

Pairings Nook allows for quiet meeting spaces inside while also providing a collaborative atmosphere. Add storage, markerboards, and impromptu seating to support a variety of meeting needs.
