WE SEE OUR LEGACY AS MORE THAN QUALITY FURNITURE.

TRUSTWORTHY. KNOWLEDGEABLE. FRIENDLY.

At National Office Furniture, we stand by the same values that healthcare professionals consider the core of caring for people...trustworthy, knowledgeable, and friendly. Throughout the healthcare industry, National is a trusted partner in delivering well-crafted, stylish furnishings that are durable, sustainable, and affordable. National's products can meet the unique needs of healthcare settings with solutions like seating with bariatric and tandem options, easy clean-out features, the ability to clean seating with bleach-based solutions, and 24 hour performance requirements for nurse's stations and other high-traffic areas. With this contract, it's easy to get started on the road to big savings. The nationwide network of authorized National Dealers will help you with everything from space planning to design to installation, and more. To help keep costs low and purchasing simple, we've partnered with Vizient.
