

Kimball Ready

A portfolio of products
that ship in 5 and 10 days.

The Kimball Ready quickship program offers a broad selection of our most popular products that ship in 5 and 10 days.

We developed Kimball Ready with the understanding that specific needs require products to deliver in a quick time frame.

With some of our most sought-after products in the program, Kimball Ready helps you design the spaces where the work gets done without having to worry about delivery timelines.

LATERAL FILES

Overview / SHIPS IN 10 DAYS

Individual workspaces are getting ever smaller, but workers still need storage. File banks are utilitarian, yet they need to blend in and complement the interior design, and they must be rock solid and secure. Kimball metal filing and storage solutions are engineered and built for long-term durability, and they offer a range of aesthetic options.

See *Kimball Ready price list for complete offering.*
