EMBRA[™] SLEEP SOFA

Designed by 5D Studio

ENRICHED EXPERIENCE

Embra Sleep Sofa brings a sense of humanity back to healing spaces to enrich the patient experience and enhance the healing journey. With a holistic approach that marries warmth, comfort, and design aesthetics, Embra Sleep Sofa delivers comfortable spaces for family interaction and quiet reflection without sacrificing the homelike aesthetic. Embra's performance and efficiency is sure to enhance the patient and caregiver experience and improve outcomes for healthcare organizations alike.
