**EZZERI<sup>®</sup>**  
Designed by 5D Studio

## SOPHISTICATED SILHOUETTE

Designed around patient comfort and well-being and to enhance caregiver efficiency, Ezzeri redefines the category of patient seating with a versatile lounge that enriches the experience for both. Beautifully crafted and insightfully intuitive, Ezzeri combines innovative ergonomic support with purposeful and inviting design to encourage positive interactions during the delivery of care.

## ARTFULLY AGILE

Ezzeri combines the egress capabilities of a patient chair with the comfort and utility of a patient recliner to redefine the patient seating category. Reimagined as a visually elegant hybrid, Ezzeri offers an innovative, light-scale, and agile solution that is more responsive to the needs of patients, caregivers, and healthcare facilities.
