## CHANGING THE WAY WE WAIT

Pairings Health was designed to address the constraints of today's waiting places and to make the waiting experience more pleasant and productive.

Made with privacy, connectivity, cleanability and comfort in mind, Pairings Health is a family of components that can be combined to create a range of tailored solutions, whether the environment calls for a simple seating group or a robust lounge system.

*Shown with Kimball Pairings Divider Walls*

## RELAX & REJUVENATE

Pairings Health offers supportive places for family and guests to relax and interact comfortably. The option of privacy panels offers a unique application of space division and integrates seamlessly with other Interwoven offerings.
