

interwoven[®]

SPRUCE[™]

MID-CENTURY MODERN

Spruce's mid-century modern seating family, designed by Chris Carter, blends appealing style with comfort and versatile configurations to give patients and families a better experience.

REFINED AESTHETICS

Flow seamlessly from public spaces to patient spaces with the Spruce patient chair.

Spruce high back lounge chairs seat any guest comfortably. Combining an extended back height with the same refined aesthetics found in the rest of the Spruce family.
