WILDER[®]
Designed by David Dahl

DESIGN MEETS COMFORT

Wilder brings a sense of warmth and sophistication to community spaces, while keeping the rigorous needs of healthcare facilities in mind. With soft, rounded shapes and unique wood details, Wilder invites people to sit back and relax. The collection includes guest, lounge, rocker, and bench solutions.

STYLE THAT PERFORMS

The Wilder seating collection includes details with the user in mind. The guest seating features an optional side table for personal items, while the rocker offers passive motion to ease anxiety. Also built for durability, this seating family features wall-saver legs, clean-out design, and optional metal leg ferrules.
