Flexible and Functional

By designing around user needs, EverySpace brings personal, human feelings into highly functional spaces. Abundant configurations of storage options and worksurfaces, in conjunction with its unique beam platform make the user feel like the space was designed to fit their specific needs and work style. EverySpace's locker units are a smart solution that is not only functional, but offers spatial and acoustical division. EverySpace also offers a collection of freestanding tables in a variety of sizes, shapes, heights, and leg styles.

Coordinated & Organized

When pairing the table desk and wall unit, it's easy to create a workstation that feels cohesive and poised. Integrated media and storage solutions turn this workspace into so much more.

Cozy Comforts

The multi-person station has all of the elements needed for maximum comfort and efficiency. From the height adjustable worksurfaces and personal storage elements to the addition of biophilia on the beam, this environment is ideal for individual work and collaboration.

Small & Mighty

When space is at a premium, there's no need to compromise. EverySpace offers shallow depth storage and a variety of worksurface sizes to create just the right setup without missing a beat.

Open & Fresh

Utilize the power beam, worksurfaces, and storage to create a solution that accommodates everyone. The storage with base frame coordinates with EverySpace's angled legs to provide an open aesthetic.

Let's Meet

EverySpace's storage components feature an integrated wire management channel and electrical power distribution so that technology and cords can be hidden.

Flexibility is Key

The EverySpace beam brings power and data to worksurface height, making it easy to utilize technology for individual work or hybrid situations. Mobile tables with privacy screens and pedestal storage units can be rearranged to create flexible spaces, while beam mounted tops serve as a quick touchdown stations.
