WHY KIMBALL INTERNATIONAL

Design Thinking for Today's Learning Spaces

Kimball International offers a comprehensive portfolio of furniture solutions, specifically designed to create effective and beautiful education spaces. Today's facilities are tasked with providing dynamic spaces that not only foster learning, but nurture school spirit. Together, let's explore your objectives and develop flexible solutions that support unique learning styles and traditional education environments.

Creating a place where students, faculty, and staff feel like they belong is more than providing study spaces, cafés, or administrative offices. It's about connecting to a greater purpose and supporting individual needs. It's about balancing hybrid environments, prioritizing flexibility, focusing on inclusion and belonging, and supporting overall health and well-being. Together, let's explore your objectives and develop flexible solutions that support unique learning styles and inspiring education environments.

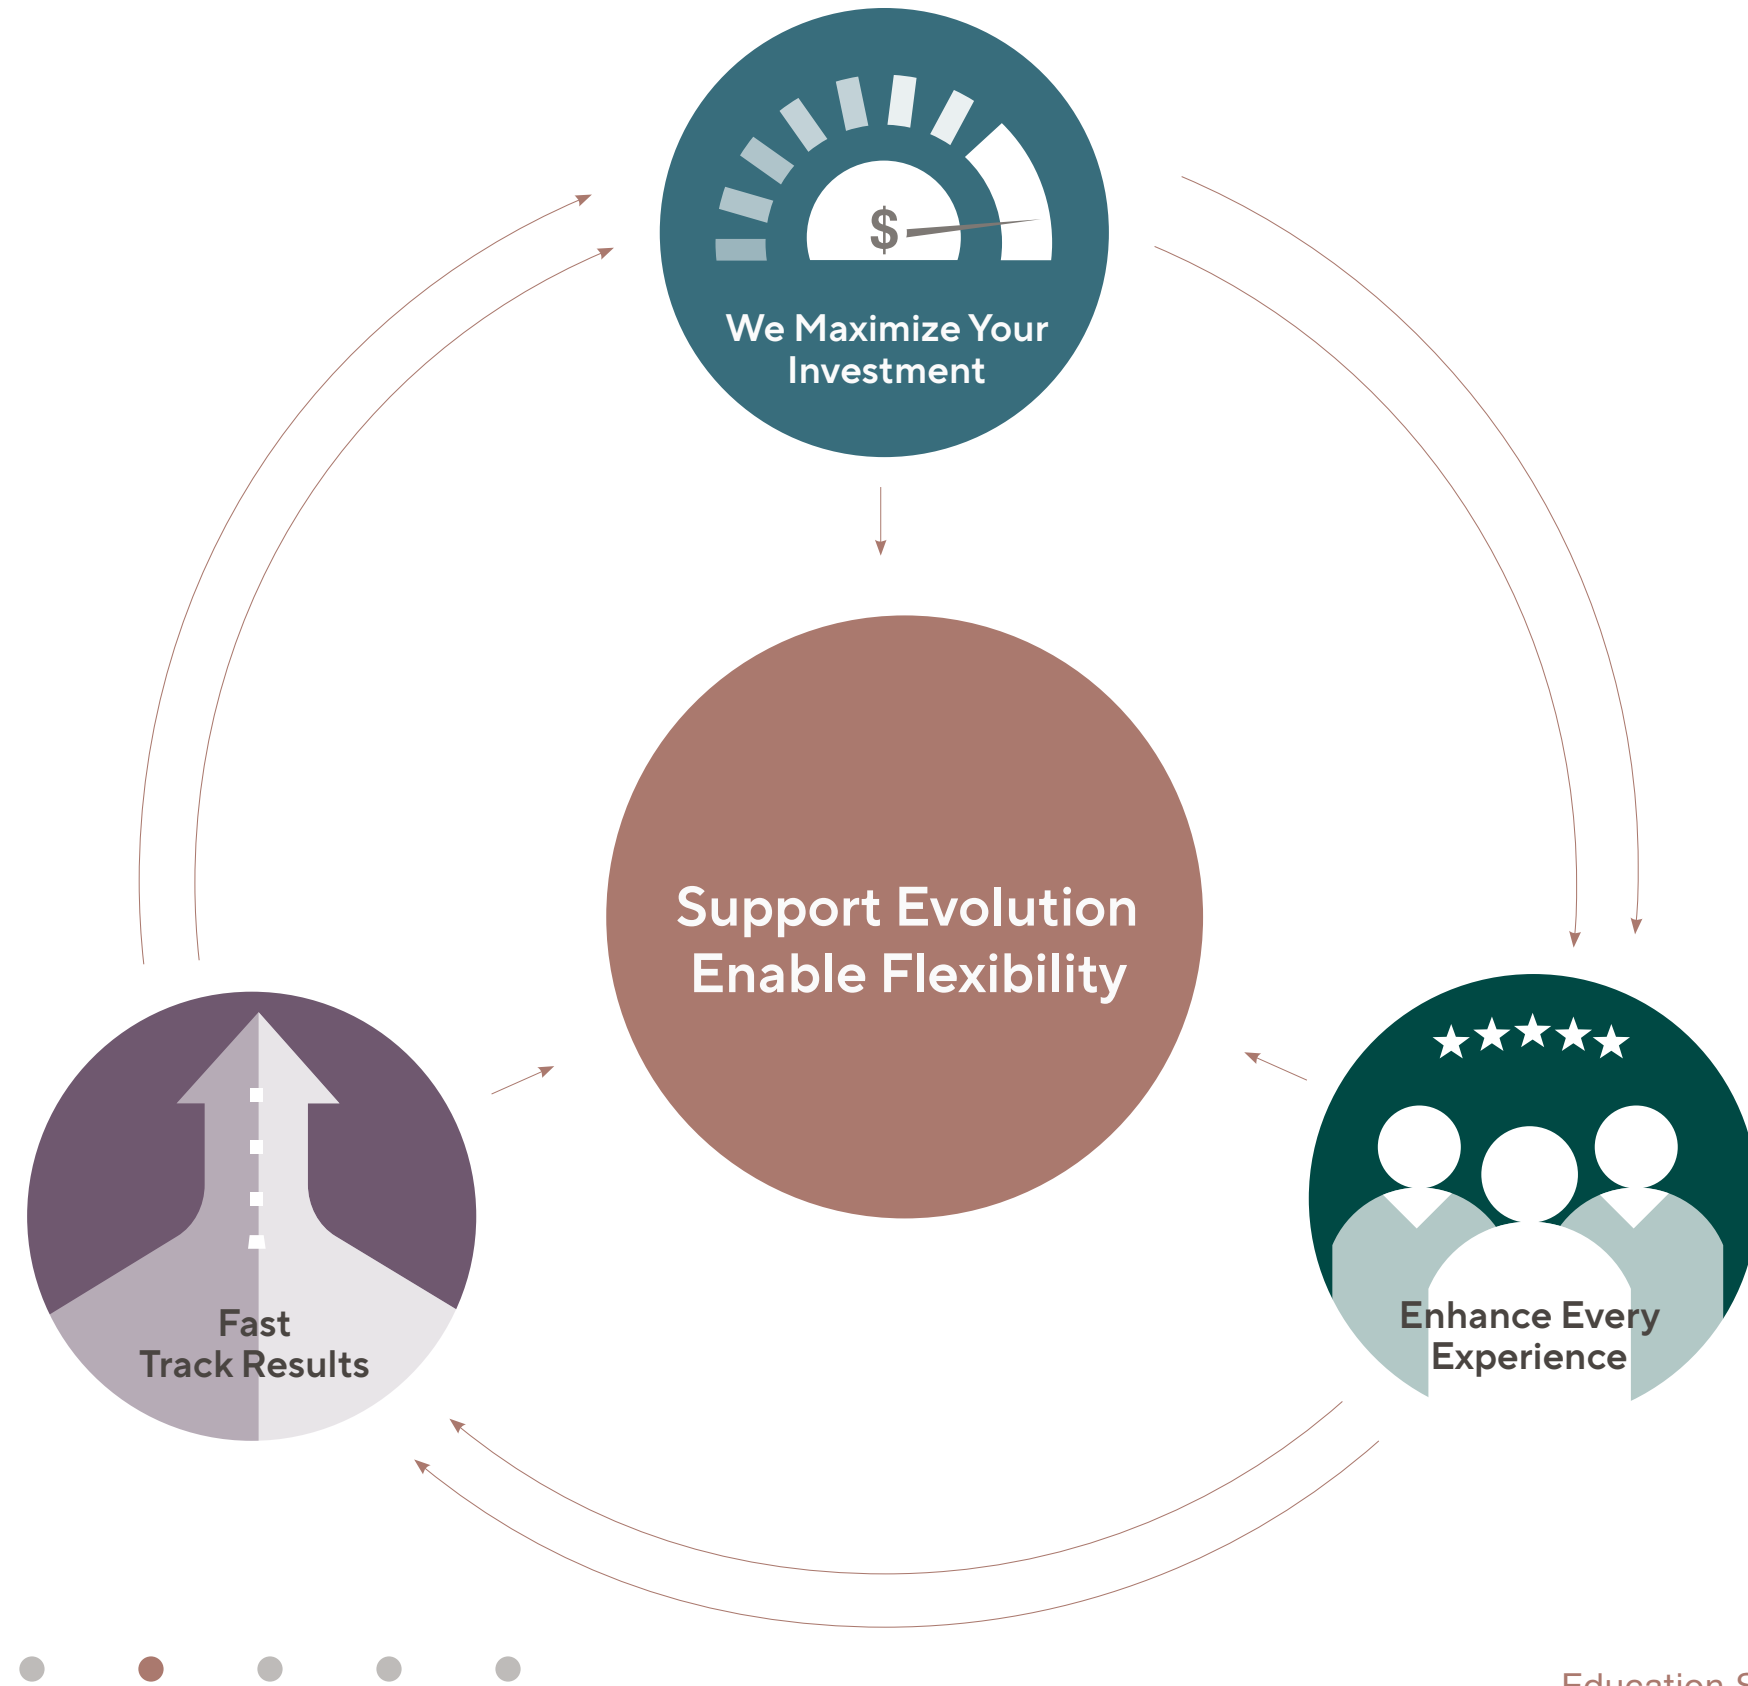

MAXIMIZING EFFICIENCIES

WHY KIMBALL INTERNATIONAL

The Power of Place

Our research-based design process ensures that our furniture meets the needs of students and faculty alike. We design for comfort, durability, and productivity. This comprehensive approach creates purposeful settings that work for a multitude of spaces and a variety of users, all while withstanding the rigors of spirited youth.

WHY KIMBALL INTERNATIONAL

Fast Track Results

Our highly efficient, interactive design charrette, ELEVATE, gets your facility up and running faster, so you can welcome students or staff sooner. This program allows all stakeholders to explore new ideas while making well-informed decisions based upon your schedule and budget realities.

WHY KIMBALL INTERNATIONAL

We Maximize Your Investment

Through our extensive experience with cooperative purchasing and countless partnerships with educational facilities, we confidently offer a process that is streamlined and effective. Let's work together to transform your facility into exactly what you are envisioning.

WHY KIMBALL INTERNATIONAL

Enhance Every Experience

There are plenty of distractions in today's society, and your furniture shouldn't be one of them. Turn to Kimball International for diverse solutions that encompass K-12 and higher education. From classrooms and makerspaces to student unions and staff spaces, furnishings play a critical role. We provide flexible, dynamic settings that support traditional textbook learning as well as life lessons.

Gathering & Collaborating

Socializing supports positive mental health. With digital device usage at an all-time high, sometimes personal interactions are skipped and opportunities are missed.

Idea Starters →

While the campus is essential for in-person classes, it is even more valued for connecting with others and facilitating daily routines. Hands-on activities and small class lectures are among the activities that students said they would return to campus for.
