# Meeting & Collaboration

## Meeting & Collaboration

Kimball International solutions are great on their own, but they strike an even better chord together. That's why we invite you to specify all our brands – not just one. Committed to craftsmanship and insights-driven innovation, our extensive portfolio gives you more options, more cohesiveness, and even more design possibilities. With all of our furniture at your fingertips, there's no limit to what you can create. Five of our brands coming together, all playing in Perfect Harmony.

Engaging spaces for teams to connect are key to fueling creativity and collaboration in the transformed workspace. Made for the places people gather, our meeting and collaboration solutions unite to create beautiful spaces for agile interactions—keeping people connected to their technology and each other.

## Wall Organization

With teams and workloads continuing to grow, we're being challenged to maximize every inch of space. At Kimball International, our philosophy is simple; let the walls do the work. Our robust selection of wall enhancements transform unused wall space into purposeful design elements—offering a variety of solutions for workplace, healing, learning, and social environments. Designed with full functionality in mind to maximize wall space and integrate into the open plan, our wall offerings take a modern approach to facilitating collaboration, opening a whole new way of leveraging the wall to maximize space in a remarkably attractive way.
