

The Journey of Connolly™

WE LISTENED

We heard the need for a lounge solution that meets today’s residentially inspired trend, while keeping comfort and price point a top priority.

Residentially Styled

Utilize Connolly’s organic shape, plush cushions, and beautiful stitching details to create spaces that are inviting and cozy.

Option Rich

Outfit spaces beautifully by choosing between wood or painted metal legs, multiple contrasting fabric locations, and thread options.

Attainable Price Point

Delivers value and a competitive price without compromising comfort or style.

WE CREATED

We designed a modular lounge collection that is light in scale, with a beautiful aesthetic, at an affordable price point that fits a variety of floorplates, including smaller footprints.

Accommodating Scale

Maximize small or larger spaces, address a range of workstyles, and create a variety of configurations with Connolly’s broad offering of lounge seating and inline tables.

Comfortable

Optimize comfort with Connolly’s unique style that maintains generous seat proportions even with a smaller scaled design.

WE DELIVERED

A collection of freestanding and modular lounge seating with inline tables that is residentially styled with option-rich design elements, accommodating a variety of configurations and smaller footprints without compromising comfort.
