Proper product installation, in accordance with these instructions, is the responsibility of the installing agent. If you have any questions concerning these instructions, please call National Customer Service 800.482.1717.

Assembly Instruction

4 Before any module box is installed into the Lochlyn frame, the frame **MUST** be permanently anchored. Refer to free standing frame build assembly instruction manual for anchoring requirements and methods. (Reference 3248959 Rev, B)

5 Locate the bottom shelf and place it at the bottom of the frame opening where the module box is to be installed. **(Figure B)**

Assembly Instruction

- 6** Install box into frame ensuring top panel with (4) pre-drilled holes is facing up.
(Figure C)

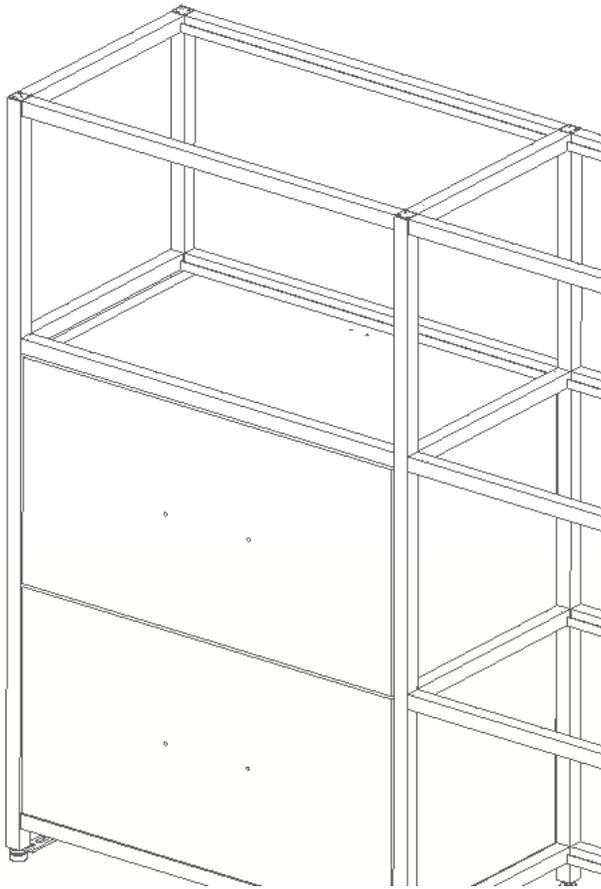

Figure C

- 7** Retrieve the two hanger brackets from the hardware kit. Mount in the front and back center of the box on both sides. Position them so the folded hook grabs the lip of the horizontal frame member and the mounting holes align with the pre-drilled holes in the top panel (**FIGURE D**). Start and run down the included 5/8" pan head screws to install the box to the frame (**FIGURE E**).
