# Tolliver™

## Working double time.

What if we told you that Tolliver is actually two chairs in one? At first glance, it's a lush, cushioned lounger, perfect for kicking back with a stack of research materials. Remove the cushion, and voilà! You have a sleek, faux leather seat that's cool as all get-out.

## Lounge Chair

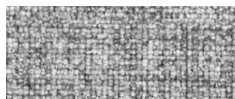

CO2LNG0401 Light  
CO2LNG0402 Dark
