

Om Pod

NATIONAL.

Work like nobody's listening.

Open office environments can increase team productivity and collaboration, but only if the layout includes a designated space for privacy. The Om Pod by National is designed to maximize your open office, providing a quiet haven for privacy. Made with best-in-class materials and backed by a Limited Lifetime Warranty, the Om and Kolo-Pods are always in stock and ready to ship.

The Om Pod was designed to offer employees an essential element: peace and quiet in working, learning, and healing environments. Our Om Sit easily accommodates extended private work, while the Om Stand is ideal for a quick phone call or video chat. Every Pod by National is constructed with our innovative Anti-Eavesdrop Design that obscures speech intelligibility and keeps confidential conversations completely private.

STATEMENT OF LINE

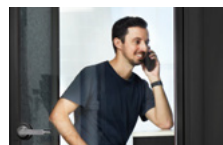

OM SIT
(47.25W X 35D X 78H)

OM STAND
(39.5W X 37.5D X 83.5H)

All models available in:

ANTI-EAVESDROP DESIGN

Our unique Anti-Eavesdrop design reduces noise by up to 32dB both inside and outside of the pod.

ROLLING TECHNOLOGY

Every Om Pod (except our ADA-compliant model) is equipped with easy-to-use rollers, so you can move them anywhere in your office, even after installation.

AIRFLOW

Motion-activated fans within our Kolo Pod models refresh the air in less than 90 seconds, maintaining optimum comfort and safety.

PLUG + PLAY

Our Om Pod models come standard with built-in ethernet ports, AC power outlets, and USB charging ports. Simply plug the power cord into a grounded, 15A outlet and get right to work.

OPTIONAL DECAL

Choose an optional standard decal for additional visual privacy. Or show off your brand identity with custom decals.
