*LSM*™

Designed by  
Debra Lehman-Smith

**Natural beauty that is simple yet modern.**

In designing LSM, Debra Lehman-Smith's focus was on achieving a natural, unforced aesthetic with a modern and simplistic design. Utilizing a solid hardwood frame finished with a brushed stainless accent, the result was a collaboration of design, functionality, and natural beauty. The LSM collection encompasses lounge seating, side chairs, and occasional tables, offering a complete range of pieces that blend contemporary elegance with practicality.
