

The Arrie Collection

Coastal Elegance Redefined

At Kimball Hospitality, we believe that residential-inspired hotel furnishings should embody more than just style and comfort. They should encapsulate the essence of approachability, authenticity, and above all, an inviting warmth that welcomes guests with open arms. With this philosophy at heart, we proudly present our latest creation – the Arrie Collection, a true masterpiece of relaxation and retreat.

Drawing inspiration from the tranquil beauty of wind-rippled sand dunes, the gentle embrace of soft rolling waves, and the captivating allure of natural, linear effects found in the heart of the sea, the Arrie Collection is a manifestation of coastal elegance like no other. This remarkable collection of casegoods has been meticulously crafted to offer designers a harmonious and calming coastal-inspired aesthetic that ebbs and flows like the ever-changing tide.
