# Lead Time, Terms, and Additional Information

Welcome to the D'Style Essentials Collection, where we strive to provide you with the finest solutions for your hospitality projects. We understand that clear and comprehensive information is essential for the success of your endeavors. Below, you will find important notes regarding lead times, pricing, and payment terms. These details are designed to ensure transparency and help you navigate the intricacies of your project effectively.

**Lead Time Calculation**

The clock for your lead time starts ticking upon the receipt of a signed purchase order and deposit as per our payment terms.

**Flexible Pricing**

Please be aware that pricing based on a product mix or stated room count may be subject to change if quantities are reduced or line items are removed from your order.

**Sales Tax**

The calculation of sales tax is based on the tax jurisdiction of the 'ship to' address provided for your order.

**Payment Requirements**

Purchase orders totaling \$5,000 or less require payment in full at the time the purchase order is placed.

**Payment Terms**

Our standard terms stipulate that the final payment must be made three weeks before shipment from our factory.

**Pricing Adjustments**

Kimball Hospitality is committed to making reasonable efforts to meet your projected timeline and minimize any additional costs that may arise. However, we reserve the right to adjust pricing, including after the proposal has been accepted, based on changing market conditions that are beyond our reasonable control.
