

Fierce[®]
TASK SEATING

NATIONAL.

Great value for any situation.

Fierce expertly delivers what you need when you need it. Its black mesh seat and back allow air to circulate naturally between the body and the chair, keeping you cool while reducing hot spots. The synchro tilt weight balance control, seat slide, and back locking mechanism provide flexibility and customizable comfort. With a variety of ergo adjustments and its monochromatic black style, Fierce is a sleek task solution for any space.

STATEMENT OF LINE FIERCE FEATURES BLACK MESH BACK AND SEAT.
