SEATING & TABLES COLLECTION

With a comprehensive seating and tables portfolio, Weli focuses on supporting the people who heal, learn, discover, and aid everyday activities in healthcare settings. The guest, rocker, lounge, patient chairs, and easy access seating solutions feature varied seat dimensions to ensure comfortable and accommodating options for all.

"Our intent behind bringing this robust healthcare seating and tables collection to market was to focus on providing solutions for spaces that require strength and durability, without sacrificing design."

Derek Schweikarth | Designer
