LOUNGE COLLECTION

Create straight or serpentine solutions for grand or modest spaces with Swift's modular lounge collection. With an extensive portfolio of lounge seating and table components, it easily delivers endless configurations and versatility for dynamic spaces. The base options offer mixed materials, mobility, and plinth choices. Add even more design appeal with the vertical tuft option.

"Swift includes multiple options and materials to achieve a design that can be taken from a single unit to a flowing space solution."

Derek Schweikarth | Designer
