CASEGOODS COLLECTION

A comprehensive line centered around clean, contemporary design with a floating top aesthetic and unique storage solutions. Tessera's extensive portfolio includes casegoods, storage, wall panels, shelves, conference and occasional tables, and benches.

"We wanted a product that gave users unique storage solutions that were tailored to them, but also gave them a beautiful space to work. Function and beauty should go hand in hand, and with Tessera, they do."

Gary Bacon | Designer, Synergy Associates
